4

## Why personalized learning journeys?

### For learners

- Crowded content library
- Not sure when to access which assets
- Increased education options

### For associations

- Tighter budgets
- Need to demonstrate member/learner engagement, value, ROI and differentiation
- More online traffic

# Examining segmentation as a means of organization

	 CAREER STAGE/LEVEL	 MEMBER ROLE

12

## Creating sample segment/learning journey

- Now you can guide your learners through their learning journeys
  - Education team will act as "advisors"
- Considerations for a clear path to "graduation"
  - Individualized assessments
  - Course corrections along the way
  - Hand-picked courses
  - Credentialing to demonstrate achievement
- Pathways could be for stand-alone course or comprising a series of interventions over an extended period of time

13

## Marketing your content

### Website

- Leverage your LMS
- Maximize your website
- Provide supplement to chronological listings

### Video

- Share sample speaker content
- Invite learners to share video testimonials
- Record introductions

### Email Campaign

- Use a drip campaigns
- Use automation

### Ambassadors

- Ask learners and speakers to become ambassadors
- Ambassadors can facilitate discussions, leave reviews, and become spokespeople

### Blog Posts

- Benefits of personalized learning journeys
- Provide learning journey examples
- Meet faculty and learners
- Sample content/outcomes

### Social Media

- Clearly promote the various pathways your learners can take
- Promote new courses, webinars, and events; show which pathways they fit into

14

## Creating Learning Paths on Elevate

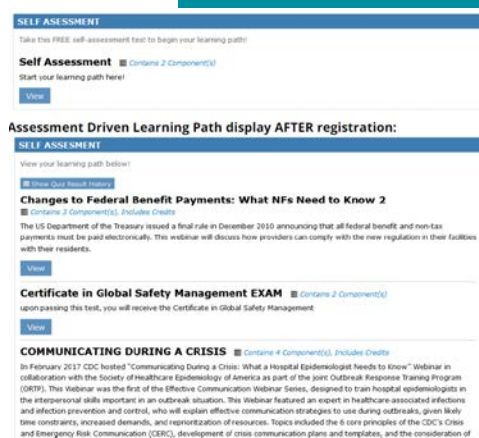

- Tag content
- Organize into categories
- Create paths based on career type, member role, etc.

15

## Elevate's Assessment Driven Learning Path

- Self-assessment quiz - "the advisor"
- Gauges a learner's knowledge of specific focus areas or quiz categories
- Learner is presented with a list of asset recommendations designed to improve their knowledge level within each focus area
